Helping adults with special needs
is the goal. Playing golf is the excuse!

BrightStone provides a post-secondary educational program for adults with special needs

BrightStone expands the potential of adults who are developmentally challenged by providing opportunities and solutions to help them lead a more enriched and fulfilled life. As an exciting God-centered non-profit, comprehensive work, social support, and future residential community for adults with special needs, BrightStone finds and shares better ways to live, learn, work, and play.

BrightStone adults continue to learn

To help them succeed in life, BrightStone adults learn job skills and productive work habits. They participate in Life Learning classes which include: nutrition and cooking, daily living, computer skills, learning and leisure, arts and crafts, physical wellness and exercise, functional academics, and community awareness.

BrightStone adults contribute to society

Everyone desires to have a reason to get up in the morning and something of value to do. While learning job skills, the adults make hand-crafted products which sell in several local retail stores, at local craft fairs, and throughout the U.S. They also volunteer in the community because they want to help.

WHAT IS BRIGHTSTONE'S GOLF BENEFIT?

18 HOLES for SPECIAL SOULS

THE BRIGHTSTONE GOLF BENEFIT

attracts a group of men and women who like to golf and are very dedicated and focused on raising funds to help BrightStone adults. Yes, raising funds to help adults with special needs is the game, golfing is just the excuse! The Golfers diligently seek donors and sponsors to support their efforts.

Your help in sponsoring a golfer brings much-needed funding for BrightStone to continue to provide excellent loving care to these special souls! You can tear off the Donor Section of this brochure or go online to donate to sponsor your golfer and our Brightstone adults.

From the birth of his son, Brian, who was born with special needs, JIM HINTON invested his life in helping those who live with developmental disabilities. He gave his time, expertise, and resources to help BrightStone be successful. He served as Treasurer, as Board Chair, and was an avid supporter of our Golf Benefit. In 2012, Jim lost his valiant fight with cancer. We give thanks for Jim's giving spirit, his heart for those with special needs, and his years of service to BrightStone by re-naming our golf benefit in his memory.
