ABOUT BRIGHTSTONE

BrightStone provides a comprehensive work, social support, and future residential community for adults with special needs, expanding their potential and helping them to develop mentally, physically, socially, emotionally, and spiritually.

More than a place to learn skills, BrightStone is a place of hope where individuals with intellectual and developmental disabilities can find worth every day.

ABOUT BOWLABILITY

Bowlability is one of the most rewarding and fun evenings you can have!

Bowlability is a way for friends, families, and coworkers of ALL abilities to come together to support adults with special needs in our community. Our students look forward to this event and sharing it with the community - come celebrate a great time with them and our staff!

The annual Bowlability has raised nearly \$1 million for adults with intellectual and developmental challenges!

Individuals can sign up to bowl and raise money as part of a team. We will give you all the tools you need, all you have to do is register!

Can't bowl? You can still raise dollars to support our mission, and bid on items at our virtual Bowlability auction!
